

# UNSW School of Electrical Engineering and Telecommunications

## Ron Stillman Award

This prestigious award has been created to encourage elite students during their first year of study at UNSW EE&T, and is valued at \$1000.

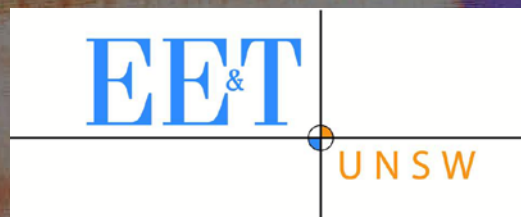

Prospective students enrolling in BE (Elec), BE (Tele) or BE (Phot) or combined degrees are eligible to apply. Applications are encouraged before enrolment, however the award will only be granted after the commencement of study at UNSW. The award may be held concurrently with other scholarships or bursaries\*. Twelve award are available.

**Applications:** A full curriculum vitae and single-page cover letter explaining the applicant's interest in electrical and telecommunications engineering should be submitted via the following web site:

[http://www.ee.unsw.edu.au/scholarship/ron\\_stillman\\_application.php](http://www.ee.unsw.edu.au/scholarship/ron_stillman_application.php).

Applications open 10<sup>th</sup> July 2009, and close 8<sup>th</sup> January 2010.

\*Subject to the conditions of the other scholarship or bursary
